Response to DE Employee Request for Consent to Sell

Employee Name and Job Title: Monica Rouse, Education Program Consultant

Division, Bureau: Division of Policy and Communications

Date of Request: 03/21/2018

Date of Agency Determination: 03/23/2018

Determination¹: Consent granted without condition

Summary of Request and Rationale for Determination:

Monica Rouse seeks permission to sell the service of Teaching and Mentoring for Net High. This activity would occur outside of her regular work hours, on weekends, and without the use of state resources.

Net High is a private company that provides courses for high school credit. As a private entity, the Iowa Department of Education (IDE) does not regulate this entity or have a business relationship with this entity.

Therefore, the sale of the service of Teaching and Mentoring for Net High does not cause Mrs. Rouse to advocate on behalf of any entity, does not benefit or prejudice any regulated person or entity, and does not result in a conflict of interest per section 68B.2A.

¹ If the determination is a denial or a conditional consent, the employee may file an appeal with the Iowa Ethics and Campaign Disclosure Board pursuant to rule 351—IAC 6.11(6).
